Thomas Federal Solutions Group

CAPABILITY STATEMENT · MISSION FOCUSED. RESULTS DRIVEN.

WHO WE ARE

TFSG combines experienced leadership with a network of vetted partners to plan, manage, and deliver complex work for public agencies and private organizations. Our two core strengths are Program & Project Management and Logistics & Supply Chain Management, supported by management consulting, administrative and mission support, and workforce development.

CORE STRENGTHS

Program & Project Management: planning, schedules, budgets, risk and stakeholder coordination, with clear reporting from kickoff to closeout.

Logistics & Supply Chain Management: supply chain planning, vendor and partner coordination, distribution oversight and performance tracking.
